CLASSIFICATION OF COMPETITORS: Competitors officially classified by the NRA for outdoor pistol competition, or who have a temporary classification by Score Record Book or an "Assigned Classification" will compete in that classification. Competitors who do not hold a classification by any of these means will be assigned to the Master Class.

AWARDS: Awards will be assessed by the Match Director based on participation at the conclusion of the match and determined once posted to the Pistol web page.

FINAL BULLETIN: Competitors can view, download, and/or print a paper copy of the official Final Results Bulletin at:

<https://scarfg.org/disciplines/pistol>

A paper copy of the results will be furnished upon request.

MATCH CONDITIONS: Our facility has 52 covered firing points and fixed targets at 50-yards and turning targets at 25-yards. As appropriate, current NRA or CMP pistol rules apply for equipment and targets.

Targets will be scored on the target frames. Competitors will score the target to their left and place and repair their own targets*. The use of plug-type scoring gauges is restricted to use by range operating personnel. Competitors acting as scorers may use scoring overlays, but may not insert any device into a bullet hole. Scorers and competitors must sign and competitors must turn in their score card at the end of each match. Please bring a small clipboard for your score cards and a stapler for attaching target repair centers; please, no heavy duty ("ceiling tile") staplers. Score cards not turned in within 30 minutes of the completion of each caliber aggregate match will be entered as DNF.

Slow fire refires, if any, will be fired at the end of the respective "900".

A \$3.00 challenge fee will be charged for each scoring challenge. A challenge period shall apply after initial posting of preliminary bulletins to the club website. The challenge period ends 48 hours after all bulletins have been posted to the club website. At that time scores become official.

*Our facility is wheelchair accessible, and assistance is available for the disabled. Please advise us if you have any special need.

MATCH SCHEDULE: The Conventional (3-gun) and the .22 Caliber Only matches are scored and reported to NRA as separate tournaments. Competitors enter either the "Conventional" or the ".22 Caliber Only" and shoot shoulder-to-shoulder with those

competing in the other 2700. Per NRA Rule 22.7, there will be no National Records awarded or established for the .22 Caliber Only Aggregate. For additional information, refer to Section 22 of the current NRA Pistol Rules. Courses of fire follow:
